

# GDPR Varian Customer Service Sub Processor List – Headquarter

Version October 2023

At Varian, we are fully committed to adherence to the EU General Data Protection Regulation (GDPR) within our organization and across our products and solutions. When using our products and solutions Varian may process personal data on your behalf, but only in compliance with your instructions and GDPR. If we involve sub-processors, they will also be committed to our high standards.

The Varian headquarters is represented by:

Varian Medical Systems, Inc.  
3120 Hansen Way, M/S G100  
Palo Alto, CA 94304.

Where necessary, standard contractual clauses have been implemented throughout the Varian organization to enable GDPR compliant transfers of personal data outside the EU/EEA. This includes transfers of personal data to Varian headquarters.

The affected Product Family is listed in the first column of the table below. In Appendix A: Product per Product Family you can find to which Product Family your product belongs to.

If applicable, you can find the companies acting on our behalf on a country level in a separate list on “My Varian”, “teampay Fleet” and on the [Internet](#).
