

Come join us!

ABC Imaging Center is proud to announce the addition of a new Open Bore 3T MRI:

MAGNETOM Verio. 3T + 70 cm + Tim.

The most exciting equation in MRI.

- Open bore design accommodates patients of different sizes and helps reduce anxiety and claustrophobia
- Faster exams due to exclusive Tim™ (Total imaging matrix) technology
- Diagnostic confidence

A new choice in Open Bore MRI for you and your patients!

Join us on January 1, 2008, 6:30–9:30 P.M.
