

SIEMENS

Shouldn't larger patients have the same high-quality PET•CT imaging options as everyone else?

Biograph mCT is now available at: ABC Imaging Center — 123-456-7890 — www.abcimaging.com

Biograph mCT offers fast, accurate PET•CT imaging for patients up to 500 lb

All physicians want the best for their patients, no matter their size. **We want that too!**

Biograph mCT can accommodate patients up to 500 lb with a 78 cm open bore and a wide table. Your patients will benefit from the system's accurate, high-resolution PET•CT images, which provide detailed information for better diagnostic confidence.

Biograph mCT was designed to bring accurate and reproducible quantification to PET•CT imaging by ensuring that each element of the measurement chain is optimized. Biograph mCT can help provide the confirmation you need for more diagnostic certainty and more informed treatment planning.

Additionally, Biograph mCT from Siemens Healthcare has advanced applications for oncology, cardiology and neurology and provides fast exams, including the ability to perform a full-body PET in five minutes.

Thank you for considering ABC Imaging for your next PET•CT referral.
