

# You're invited!

Join us for our Open House and learn more about **Biograph mCT**, our revolutionary imaging system

**MONTH DATE YEAR**  
**TIME – TIME**

ABC Imaging in Townsville – 123-456-7890 – [www.abcimagingcenter.com](http://www.abcimagingcenter.com)

This innovative system from Siemens provides molecular imaging with quantification that is accurate and reproducible and

- features advanced applications for oncology, cardiology and neurology
- provides fast exams, including the ability to perform whole-body PET in only 5 minutes
- offers a comfortable patient experience through fast scan times while using as little radiation exposure as possible
- delivers exquisite image quality with low noise for greater image clarity
- accommodates patients up to 500 lb with a large 78 cm bore and wide table

**Join us to explore how  
Biograph **mCT** can help  
your practice.**
