

Artis zeego Club Forum User Registration Process

Artis zeego Club / April 2013

Artis zeego Club Forum

Giving our users a way to learn and share.

SIEMENS

What is the Artis zeego Club Forum?

- A user community built only for Artis zeego users for the purpose of sharing information and experience.

Can I find information about how to use my Artis zeego there?

- Yes! The Artis zeego Club team has developed exclusive “how-to” video guides so you can refresh your memory on advanced applications and techniques.

Who is using the Forum?

- Doctors, Researchers and Radiographers from around the world.

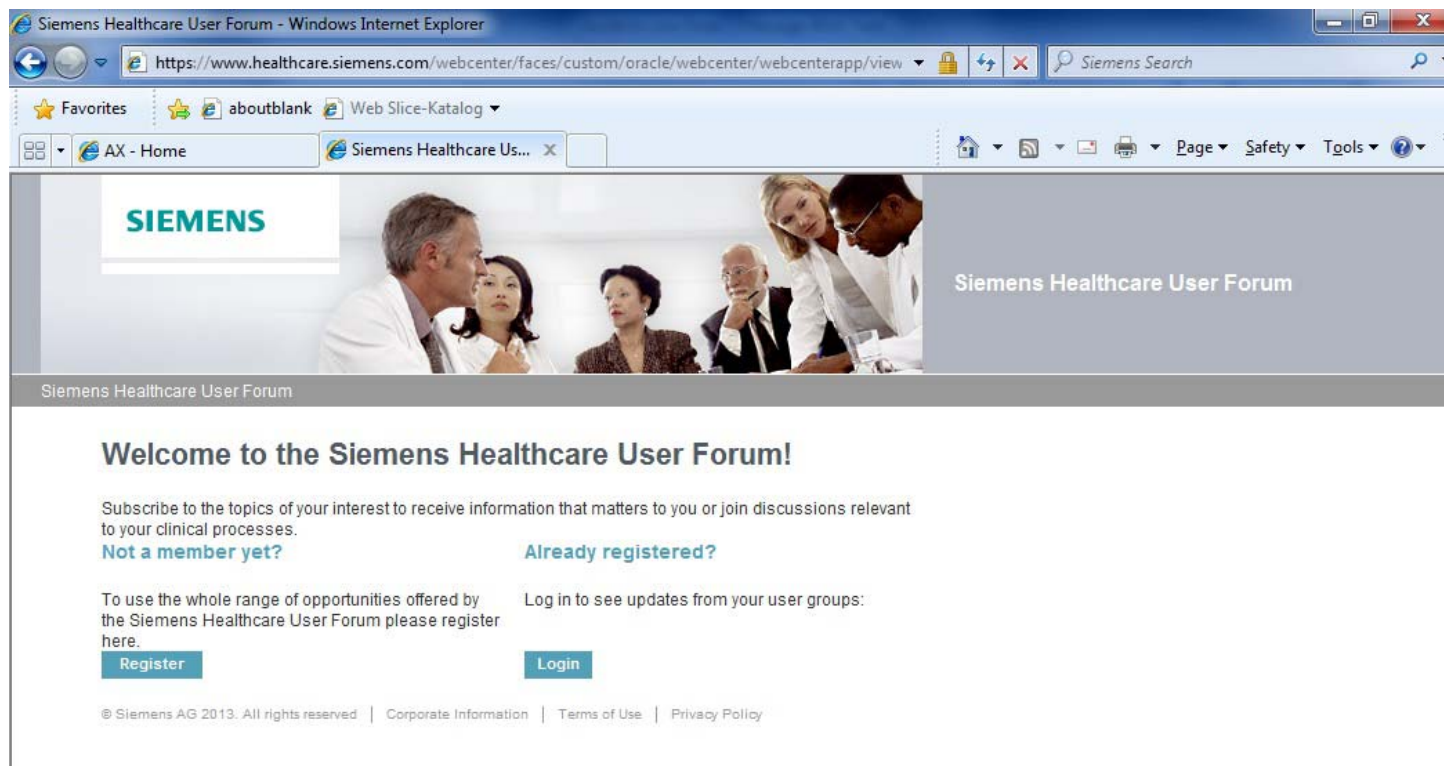

Can I get answers to specific questions?

- Of course, you can ask the rest of the community and also receive answers directly from the experts, the Artis zeego Club team.

Registration Step 1:

Go to www.siemens.com/artis-zeego-club and click “Register”

Registration Step 5:

A verification email has been sent. Go to the entered email account

Registration Step 6:

Open the verification email and click the activate link

Dear

This email is to confirm your request for a Siemens Healthcare online account. To confirm your request, please click on the link below within 48 hours to activate your account:

Activate My Account

(if the link below does not work, please copy and paste link into your browser.)

https://www.medical.siemens.com/ssoweb/sso/ssoactivate?id=dd5f30b1-c065-40fc-a06c-180deb13b07d&key=Y3Jxd2ltMjA_MCOwOTo1NjoxMQ==>

Important Next Steps

To complete the account activation, next you will need to set your account password. Please be sure to store the password securely. You will need to remember this password and reenter it along with your username to login to your account. Your username will be the same as this email address.

Please note: If the account is not activated within 48 hours your registration will be deleted and you will need to re-register.

If you did not make this request for a Siemens Healthcare online account, no further action is required. The account will automatically be deactivated in 48 hours. We apologize for any inconvenience.

Kind regards,

Your Siemens Healthcare Team

Registration Step 7:

Enter a password for the account and click “Submit”

SIEMENS

> Register > Login

Set Password

Global Healthcare Contact

> Home > Healthcare > Set Password

Set Password

Thank you for activating your Siemens Healthcare online account.
You may now set a password for your account.

Please set your password:

Password

Confirm Password

Submit

Text Size

The password must be 8 characters and include an upper case letter, a number and a special symbol.

Registration Step 8:

Click the “Access Healthcare User Forum” link

The screenshot shows the Siemens Healthcare registration process at Step 8, "Set Password". The page has a light blue header with the Siemens logo on the left and navigation links "> Register" and "Login" on the right. Below the header is a dark grey navigation bar with links for "Global Healthcare" and "Contact". A breadcrumb trail indicates the path: "> Home > Healthcare > Set Password". The main content area is titled "Set Password" and displays a success message: "The user was successfully activated." Below this message are two links: "> Edit Profile" and "Link to your selected online services". Under the link to services, there is a specific instruction: "Healthcare User Forum > [Access Healthcare User Forum](#)". On the right side of the page, there is a "Text Size" control with a minus icon, a plus icon, and a "Text Size" label, followed by icons for print and social media.
