

Announcing the Open Bore, **3T MAGNETOM Skyra MRI**

Now at ABC Imaging Center!

Where 3T MRI power and 70 cm comfort come together

ABC Imaging Center • (000) 000-0000 • www.abcimaging.com

Finally, powerful diagnostics and patient comfort in one MRI!

**Advanced 3T MRI technology is now
available at ABC Imaging Center.**

Offering **excellent 3T image quality** for
your diagnostic confidence, an **Open Bore**
for your patients' comfort, and an **expanded
weight limit** of up to 550 lb/250 kg — the
choice for your next MRI referral is clear.

**Consider ABC Imaging Center
and the MAGNETOM Skyra when
making your next MRI referral.**
