SIEMENS

Multitom Rax is not commercially available in all countries. Due to regulatory reasons, its future availability cannot be guaranteed. Please contact your local Siemens organization for further information.
On account of certain regional limitations of sales rights and service availability, we cannot guarantee that all products/services/features included in this brochure are available through the Siemens sales organization worldwide. Availability and packaging may vary by country and are subject to change without prior notice.
The information in this document contains general descriptions of the technical options available and may not always apply in individual cases.
The product names and/or brands referred to are the property of their respective trademark holders.

Siemens reserves the right to modify the design and specifications contained herein without prior notice. Please contact your local Siemens sales representative for the most current information.
In the interest of complying with legal requirements concerning the environmental compatibility of our products (protection of natural resources and waste conservation), we may recycle certain components where legally permissible. For recycled components we use the same extensive quality assurance measures as for factory-new components.
Any technical data contained in this document may vary within defined tolerances. Original images always lose a certain amount of detail when reproduced.
