

Prof. Dr. med. Franz A. Fellner

- Director of the Central Radiology Institute, Kepler Universitätsklinikum, Linz, Austria
- Extraordinary professor at the Friedrich-Alexander University Erlangen-Nuremberg, Member of the faculty council
- born on July 15, 1966 in Passau, Germany

Education

- *venia legendi* (lecturing qualification); Friedrich-Alexander University Erlangen-Nuremberg
- Postdoctoral qualification in diagnostic radiology
- Certification as a medical specialist in diagnostic radiology
- Degree in medicine (Dr. med., grade: magna cum laude); Technical University of Munich

Professional history

1989

- University of Regensburg
 - Tutor for neuroanatomy

1992

- Radiology practice at Klinikum Ingolstadt
 - Resident

1993

- Landes-Nervenlinik in Linz, Austria; scientific collaboration with the LNK Institute for Radiology
 - Resident for neurology

1994

- Institute of Diagnostic Radiology, Klinikum Ingolstadt
 - Resident

1995

- Institute of Radiology, Landes-Nervenlinik in Linz, Austria
 - Resident

1996

- Institute of Diagnostic Radiology, Friedrich-Alexander University Erlangen-Nuremberg
 - Resident

2001

- Institute of Diagnostic Radiology, Friedrich-Alexander University Erlangen-Nuremberg
 - Senior physician and Deputy Director of the Institute

2002

- Institute of Neuroradiology, Landes-Nervenlinik in Linz, Austria
 - Senior physician

2005

- General Hospital of the city of Linz, Austria
 - Director of the Central Radiology Institute

Since 2007

- Friedrich-Alexander University Erlangen-Nuremberg
 - Extraordinary professor and member of the faculty council

Since 2016

- Kepler Universitätsklinikum, Linz, Austria (formerly General Hospital Linz)
 - Director of the Central Radiology Institute

Other activities

- Member of the research & development advisory board of the Universities of Applied Sciences Upper Austria (2005 – 2013)
- Member of the supervisory board of Ars Electronica Linz GmbH (2007 – 2017)
- Spokesman of the council of senior physicians of the General Hospital Linz (2012 – 2014)
- President of the Medical Association for Upper Austria (2014 – 2015)
- Past president of the Medical Association for Upper Austria (2015 – 2016)
- Lecturer at the University of Applied Sciences Upper Austria for medical technology, Linz (2005 – 2009)
- Lecturer at the medical training center of General Hospital Linz (2005 – 2010)
- Lecturer at the Technical and Science Faculty of the Johannes Kepler University of Linz (2012 – 2016)
- Member of the advisory board of the medical technology cluster of Business Upper Austria agency in Upper Austria
- Member of the advisory board of Ars Electronica Linz GmbH & Co KG
- Lecturer at the University of Applied Sciences Upper Austria for health professions
- Lecturer at the Medical Faculty of Johannes Kepler University of Linz
- Organization and/or management of 25 national and international conventions and symposiums
- Organization and/or management and implementation of more than 150 advanced training courses
- Planning and development of the curriculum of human medicine for Johannes Kepler University of Linz (in the areas of radiology, medical technology, and virtual anatomy)
- Reviewer for 11 national and international peer-reviewed professional medical journals
- More than 1,700 national and international publications in journals and presentations as well as book contributions and academic works
- 1 book (“Fashion & Technology”)
- 12 art exhibitions on the topic of radiology and art (“Ars Intrinsica”) in Austria and Germany

Research areas:

- Innovative clinical applications of magnetic resonance imaging
- 3D post-processing techniques for radiological cross-sectional imaging methods
- Virtual anatomy
- New teaching methods in medicine and general education taking state-of-the-art digital possibilities into account

Honors:

1998

- Poster prize of the annual meeting of the European Society of Magnetic Resonance in Medicine and Biology (ESMRMB), Geneva

2001

- Poster prize of the joint annual meeting of the associations for vascular and endovascular surgery (Germany, Switzerland, Austria), Hamburg

2004

- Scientific award from the Medical Association of Upper Austria (Pilgerstorfer Prize)

2006

- Editor's Recognition Award from the European Journal of Radiology

2007

- Editor's Recognition Award from the European Journal of Radiology

2011

- Best Scientific Contribution: "Challenges in Imaging," awarded by the President of the European Society of Radiology
