MI PET Source

The shifting healthcare industry is putting extraordinary pressure on providers, requiring imaging centers to do more with less. Having the right partner to help increase efficiencies and expand patient access to new PET services is critical to success. Siemens Healthineers' PETNET Solutions provides the tools and services needed to start a new practice or grow an existing practice.

MI PET Source™ is an exclusive online portal created for PETNET Solutions customers. From a wide range of clinical tools to the latest reimbursement information and outreach marketing kits, MI PET Source assists in facilitating the education and communication value of PET/CT to ordering physicians. MI PET Source is an invaluable resource for building, educating, and growing a clinical practice.

Access a wide-range of clinical and reimbursement coding
