Hear from two FlexForce Techs

"What I like about being a Siemens FlexForce Tech is the opportunity to be a part of something great; an international company that improves the world we live in but feels like family and gives you the support you need to be successful."

Cimarron Shaner — Carilion Clinic, Roanoke, VA

"To be able to learn and expand your knowledge with a great company that produces great scanners. Also, being able to take your love for Siemens scanners and be a resource for our area hospitals and fellow technologists."

Kristel Crockett — Johns Hopkins University, Baltimore, MD

Our approach

Siemens Healthineers partners with you at each step to ensure your organization's needs are identified and the right person is identified to align with your objectives. Planned updates ensure your goals stay on track.

Define needs

Identify talent

Implement

Re-evaluate for continued need

- Organization goals identified
- Needs Analysis conducted
- Clinical skillset
- Procedure types
- Equipment types
- Working hours
- On-call requirements

- FlexForce™ Tech skillset matched to organization goals & needs
- Kick-off meeting held with customer,
 FlexForce™ Tech, and SH Resource Manager to align expectations
- FlexForce™ Tech to complete any hospital orientation or onboarding as needed
- FlexForce™ Tech enabled to begin patient care
- Ongoing assessments to ensure FlexForce[™] Tech is matching customer expectations
- Alignment of those results toward organization goals
- Discuss need for continuation of or additional FlexForce™ Workforce Solutions within the organization
