

How to get started with teamplay Fleet

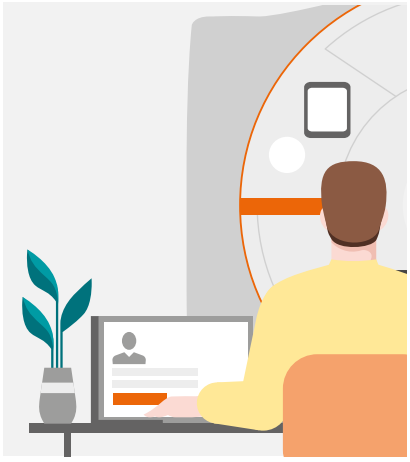

teamplay Fleet is the Fleet Management App for your Siemens Healthineers equipment.
It helps you better manage your service, cybersecurity, and the evolution of your fleet. 24/7, from anywhere, anytime.[1]

SIEMENS Healthineers

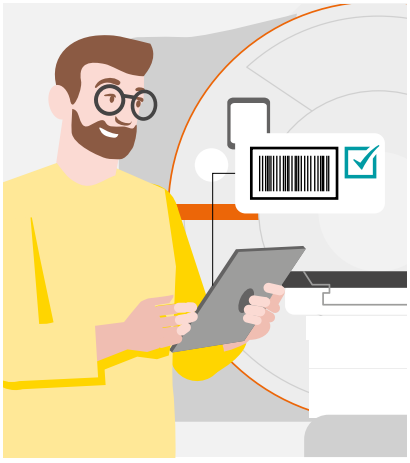

Register for your free account.

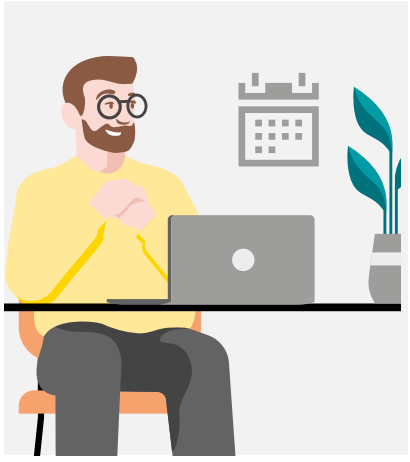

Go to ↗ fleet.siemens-healthineers.com
and click "Register".

Here is what you need to know to get started.

This is your start page

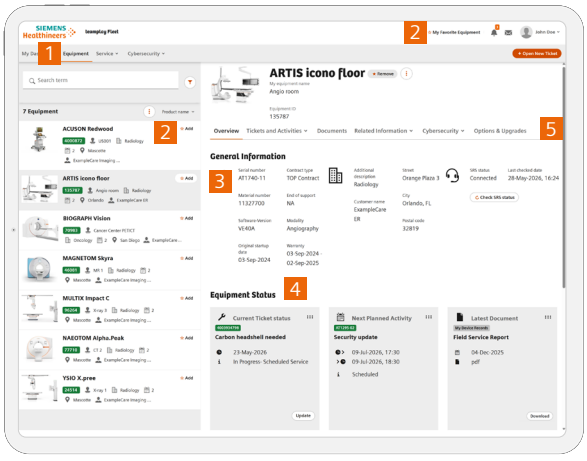

The **Dashboard** provides a quick overview of equipment status, planned activities, and open tickets.

1. **Holistic overview of the equipment status** across your entire institution
2. **View service contract status** and take action on renewals
3. Instantly see **upcoming appointments**
4. Access your open **Healthineers Service Tickets**
5. **Interactive map with markers** to easily identify locations and equipment status
6. Find guided tours in the **Need Help?** menu

Here is your equipment

Access your installed base via the **Equipment** tab and view system-specific details.

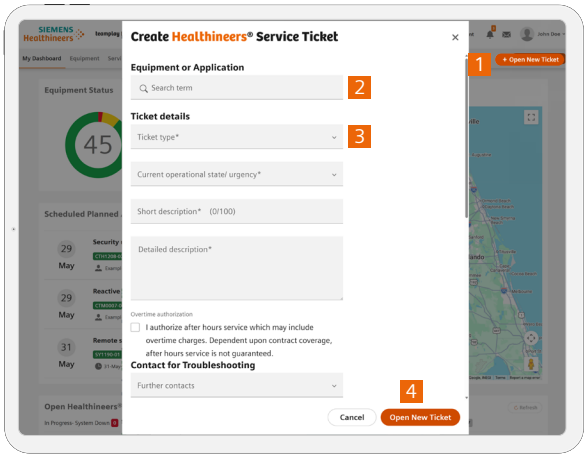

1. **Access your equipment from Siemens Healthineers,** including imaging, laboratory, and software solutions
2. Set your **favorite equipment** and switch between all or selected
3. **Find equipment details,** such as serial number, installation date, software version
4. **Track equipment status,** such as ticket status, next activities, and access latest documents
5. **Access information,** such as ticket history, documents, service contract, software updates and Options & Upgrades

Want to report an issue?

24/7 ticket creation made easy.

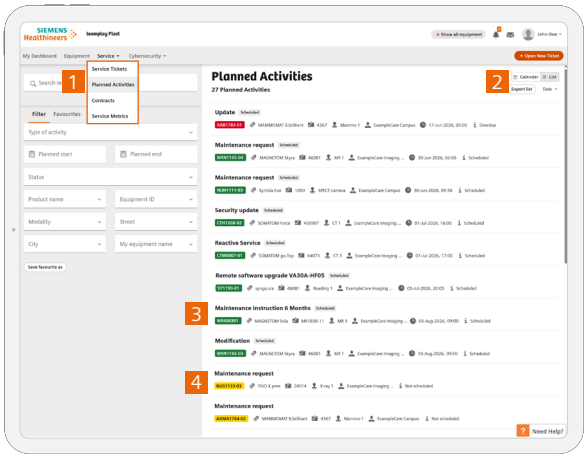

Open a ticket

1. **Open a new service ticket** online, quickly and easily 24/7
2. **Select the equipment or application** and access all details in one place
3. **Insert ticket details** and attach documents, photos or videos
4. Submit and await contact from **our local Customer Care Center** with next steps

When is the next service?

Your Planned Activities at a glance, including maintenance, service, updates, and training

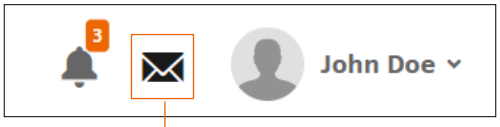

1. **Get a consolidated view** about your Planned Activities
2. **Switch between list and calendar view**
3. **Double-click an appointment** to review details or request rescheduling
4. **Looking to book an appointment?** Select an unscheduled activity and easily contact us to book a timeslot

There's more you can do with teamplay Fleet:

- Monitor service performance
- Access service contract details
- Manage cybersecurity holistically
- Stay up to date on system updates

Access to these features requires specific permissions. Please contact us for more information.

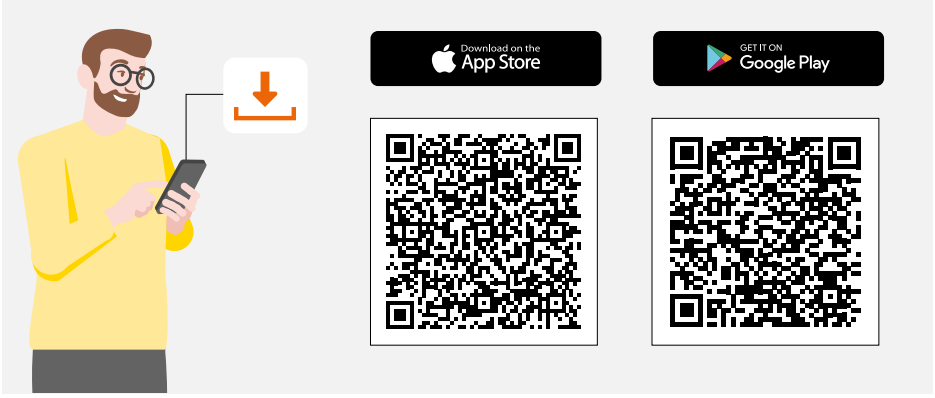

For questions about teamplay Fleet, contact your local representative via the envelope icon in the upper right corner.

Mobile App for teamplay Fleet

Use the mobile app for convenient access on the go.

For the best first-time experience, **start with teamplay Fleet on your PC.**

The products/features and/or service offerings (here mentioned) are not commercially available in all countries and/or for all modalities. If the services are not marketed in countries due to regulatory or other reasons, the service offering cannot be guaranteed. Please contact your local Siemens Healthineers organization for further details.

Siemens Healthineers' customer results are unique to each setting. Similar outcomes for other customers cannot be guaranteed due to varying factors.

[1] *Prerequisite: Sufficient internet connection. Downtimes are possible, e.g. during maintenance.*
