

Two technologies. One seamless scan.

PET & CT unite for unparalleled precision.

NEXT-LEVEL PET/CT HAS ARRIVED AT

We're setting a new standard for clarity and comfort in every scan. Biograph Trinion combines the power of PET and CT technologies in a single, high-performance imaging system, to identify your health issues quickly and accurately, for greater diagnostic confidence. Comfort-focused features combined with fast, low-dose, personalized scans are redefining the imaging experience, providing clarity and peace of mind in your treatment plan.
