

Advanced CT scanning is now closer than ever. Welcome to advanced diagnostic care in your community.

Low dose lung scans and screening

Orthopedic

Neuro and Stroke imaging

Abdominal and Dual Energy spectral imaging

Vascular and 3D imaging

NEXT-LEVEL CT IMAGING HAS ARRIVED AT

**Imaging that's powerful and simple,
for everyone, everywhere.**

SOMOTOM Pro.Pulse, the latest innovation from Siemens Healthineers, is making Dual Source technology accessible to a wider range of facilities for patients most in need. The scanner is designed with your comfort in mind and is backed by the power, speed, and precision capabilities that only Dual Source CT can provide – so your physician can be confident in your results.

Advanced diagnostic imaging is
now available closer to home.

The power, speed, and precision
of Dual Source CT generates
high-quality images so your
physician can make confident
decisions.

Intelligent workflow with
embedded AI simplifies the
scanning process so your
technologist can spend more
time with you during the exam.

Precise positioning technology,
mood lighting, and innovative
visual instructions will keep
you at ease while generating
consistent scan results.

**Welcome to next-level
CT imaging, for you
and your physician.**
