

## Customer Services

# Protect your entire fleet, on demand

## TechUp NOW

Start each day confident that your ultrasound system will perform at its best and produce the consistent, high-quality imaging you expect. TechUp NOW is our newest, most flexible software upgrade package designed to ensure your systems remain high-performing.

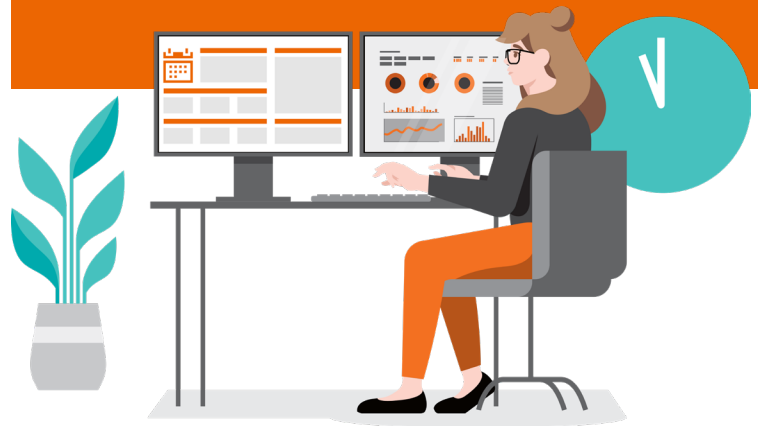

TechUp NOW provides the freedom to choose when to upgrade, allowing you to maintain uninterrupted staff workflow.

### TechUp NOW provides:

- **On-demand upgrades**  
Regular software upgrades throughout the lifetime of your service contract.
- **Flexibility**  
The freedom to choose whether to upgrade as new software is released or at a different time.
- **Extended system lifespan, support sustainability**  
Keep your systems longer, maximizing your investment and reducing your carbon footprint.
- **Comprehensive fleet management**  
Ensure your entire fleet of systems remain high-performing with the most up-to-date software.

## Keep your ultrasound systems performing smoothly.

*Get valuable software upgrades as they are released.*

# Beyond service. Peace of mind.
